

Internship Opportunities That Bridge Academia And Industry

What?

This presentation by Mitacs, a non-profit Canadian organization, will explain how students can be connected to funded research opportunities in the non-profit, government, and private sectors. Learn about the programs offered alongside the availability of funds for your research, and end the session by listening to one of our RI-MUHC labs who were successful in working with Mitacs.

Who?

Dr. Marc-Olivier Fregeau, Business Development Specialist

When?

Monday September 21, 2015 from 2:30-3:10pm

Where?

EM1.3509 – Glen classroom

Followed by

A discussion with the Jean-Claude lab from 3:10-3:40pm

**RSVP to
your
program
manager!**
